Attend with Ease

Each month the Chamber coordinates at least one Business After Hours event, hosted by a different Chamber member or combination of members, drawing together a great variety of business professionals. Due to the popularity of these events, registration is more encouraged than ever! And with a punch card, it's even easier. Buy your '**punch card**' and attend events with ease. Each card is \$25 and entitles the business to attend six after hours events for the price of five.

Chamber staff keeps the punch card in the system and marks each time a member attends an event. Each 'punch' equals \$5 so if an event is a \$10 admission then two punches can be used at one time. A punch card is related to a business name so that member can invite fellow employees or treat another guest. Chamber members that are at the bronze, silver, gold or platinum level have a punch card on file at the beginning of each year as a part of their benefits.

When you register, either purchase a card or choose 'punch my card' and then your name badge will be waiting for you at the door.

We look forward to seeing you at an event soon!

Eco-friendly Name Tags

The Chamber has **permanent name badges** available for purchase for the fee of \$12. If you are interested, then [email the staff](#) to have one ordered for you. All we need is your name along with your business name then we will place the order and send you an invoice. Allow for 3 weeks (usually shorter) and your permanent name badge will be at the next event. These are kept and brought to each event so in one member's words, "I won't lose it!"
