Wednesday Leads Group Bylaws

MISSION STATEMENT

The Wednesday Leads Group is an organization of professionals who are dedicated to the growth and development of business by exchanging quality leads and networking within the group.

WHEN AND WHERE

The Wednesday Leads Group meets every Wednesday from 12:00 p.m. – 1:00 p.m.
The group will meet in person at a location to be determined.

WHO

We welcome any member of the Superior Chamber of Commerce who is interested in empowered networking and lead generation for building business and creating value for the customers they serve. Please find the application for the Superior Chamber of Commerce on their website.

COST

Membership dues are \$30.00 per six-month semester, and these dues are to be paid by January 31st and July 31st of each year. The next semester's dues will additionally be paid if a business joins within 60 days of the semester's end. No refunds will be given at any time. Membership will terminate if dues are not paid in full and on time. Points in the group are earned for activities related to lead generation and networking, and the member earning the most points at the end of each semester will not have to pay dues for the following semester. See the "Points Structure" section on the next page for details on earning points.

ELIGIBILITY REQUIREMENTS

1. Every Leads Group member must be a member of the Superior Chamber of Commerce and in good standing with the Chamber.
2. Members cannot be a member of any other Superior Chamber of Commerce sponsored leads group.
3. All fees must be paid in full to remain eligible for membership. See the "cost" section above for further explanation.
4. Members are to attend meetings regularly. See the "Accountability" section on the next page for further explanation.

1. Members may represent only one business category. A business category is defined as a form of commercial activity or industry (i.e. banking, mortgage lending, real estate, travel, insurance, etc.)
2. Business category representation will be self-declared either on a members' application or on a Membership Information Form. A list of categories represented in the Group will be made available to the membership.

- Conflicts of interest will not be permitted. A conflict of interest may arise when a new applicant wishes to represent a category that is already represented within the Group. The presence of a conflict of interest will ultimately be determined by the existing member(s) who is (are) most affected.
- Conflicts of interest may also arise among existing members due to the changing structure of a member's business. In this case, members are strongly encouraged to resolve the conflict independently. If members cannot resolve the conflict themselves, they may request moderation by the Membership Committee. If one of the conflicts arises with one of the members on Membership, then the Moderator stands in for them.

Application and Membership:

- A maximum of 30 businesses will be admitted to the group.
- Business representatives who are interested in membership must attend two (2) meetings as a guest.
- Prospective members may apply for membership by completing an online application form that will be forwarded to a member of the Membership Committee.
- The Membership Committee will conduct a review of the submitted application, including identification of any potential conflict of interest with any other member of the Lead Group.
- The Membership Committee will present a review of the application and a recommendation on the application to the full membership no sooner than two (2) weeks following the last meeting attended by the applicant. This presentation will include a discussion of any conflict of interest with existing members of the Leads Group and whether that conflict has been resolved. If the conflict cannot be resolved, the Membership Committee will advise the applicant within a (2) week time frame that they are not eligible to join the Leads Group at this time.
- An applicant may not attend additional meetings while their application is under review unless the Membership Committee requests that they attend a third meeting to make a presentation to the Leads Group regarding their application.
- If there is no conflict of interest, members will then vote to approve the application.
- When a vacancy in a business category occurs, the vacancy may not be filled for a minimum of four (4) weeks, to allow the required two (2) meeting attendance by potential new members, and the required two (2) week review by the Membership Committee.
- Terminating a Leads Group membership does not automatically terminate membership in the Chamber, the Chamber staff should be contacted directly.

ACCOUNTABILITY

- All members are required to attend regularly. If a member is unable to attend, he or she may enlist a substitute to attend in their place. This substitute must be employed by the same company as the absent member.
- Unless previously approved, any member with three (3) unexcused absences or more than eight (8) total absences per semester may have their membership revoked without a refund.
- Attendance will be taken at each meeting and late arrivals are responsible for making sure they get credit for the day. A \$1 late fee will be collected by the Treasurer for late arrivals or no RSVP to the Recorder by 11:00 am on the day of the meeting.

Officers have the authority to make the following decisions without a group vote: agenda for any meeting, spending funds (not to exceed \$100), the direction of the group, and recommendations for policy change. All decisions by the officers will require unanimous agreement by all officers to become effective. Anyone who has not previously held an officer position is encouraged to nominate himself/herself for a position. Officers will earn a 50% discount off their membership dues while they serve. Attendance is mandatory for all officers.

MODERATOR

Presides over the meetings, regulates the time during the meetings and distributes the weekly agenda via email. Additionally, the Moderator acts as a liaison between the group and potential new members, and s/he presents new ideas to the group.
